

Dear Parents,

Registration forms for the 2012-13 school year are being sent home with your student today.

The following is an explanation of the forms you will receive:

- 1) **Young Jr. High 7th Grade Spring Registration.** This form is divided into 5 areas:

Student Info- Complete Information

List of Required Courses-English, Math, Science, Texas History, PE/Athletics, and Speech / Technology Applications (one semester each) (6 classes)

If you want your student to sign up for any Pre-AP classes, you and your student will need to carefully read, complete, and sign the separate duplicate form titled "**Junior High Pre-Advanced Placement Expectations of Enrollment**" (#2 below). If we do not receive this completed form your student will not be scheduled into Pre-AP classes. Upon completion of the form, parents may keep the yellow copy and **return the original** with the registration form selecting an elective and Athletics or PE.

Input from 6th grade teachers can be very helpful in making the decision whether or not to take Pre-AP classes. Also, please be aware that due to the changes in state testing requirements, students enrolled in Pre-AP Math in 7th grade will take the 8th grade STAAR Math Exam.

If you do not want your student in any Pre-AP classes, you will not need to complete any information about required classes.

Athletics/PE- Mark Athletics or PE.

7th Grade Full Year Electives- Number 1 and 2 in order of preference. Students will have 1 elective. We ask that an extra be chosen in case of schedule conflict.
