

Dear Parent or Guardian:

Your school has partnered with Apangea Learning to bring your child a web-based, supplemental program to help boost mathematics achievement. This exciting program is available to your child in school and any place there is access to a computer with an internet connection. Just visit www.apangea.com and have your child login with their username and password provided below. While learning, your child will get instructional support from an automated learning coach. During the following hours, they will be able to get additional support from live, certified math teachers.

Monday through Thursday	7:30 a.m. – 12:00 midnight (Eastern)	4:30 a.m. – 9:00 p.m. (Pacific)
Friday	7:30 a.m. – 10:00 p.m. (Eastern)	4:30 a.m. – 7:00 p.m. (Pacific)
Saturday	11:00 a.m. – 3:00 p.m. (Eastern)	8:00 a.m. – 12:00 noon (Pacific)
Sunday	6:00 p.m. – 10:00 p.m. (Eastern)	3:00 p.m. – 7:00 p.m. (Pacific)

While working on Apangea Math, your child can earn points that can be redeemed for rewards. Your child can also participate in individual and class contests.

How You Can Help

We know that you have a great interest in helping your child be successful. We'd like to give you some ideas about how to help your child achieve more.

Understand that you don't need to know all of the math. Apangea Learning has built-in instructional support throughout the program. Your child will be able to look at lessons, use resource cards, get automated help, and receive tutoring from live, certified math teachers. The most important factor for your child's success with Apangea Math is reading the help messages when they are stuck. You might want to read along with them or suggest they read the help messages aloud. This often leads to that "ahhh ... now I get it" moment.

Another way you can provide support is simply to encourage your child. Ask them what they are working on, what is going well, and what they are finding difficult. Let them know that their hard work is paying off by checking on their points and progress.

Finally, if your child gets stuck and you need additional support, let us know. Also, you can contact Apangea Learning by email at support@apangea.com. Customer support representatives typically respond to emails within one business day.

Thank you for working with us to help your child find mathematics success.

Sincerely,

The Apangea Learning Team
