

If you haven't already done so, then, it's time to get your annual PTA membership.

PTA is a grassroots organization made up of parents, teachers and others around the state who have a special interest in children, families and schools. By joining a PTA, a member automatically becomes part of the largest child-advocacy organization in the state — over 630,000 strong across Texas.

Studies have proven that membership in PTA provides your child and other children around you with a greater chance of achieving in school. As a PTA member, you are more likely to be an informed, involved parent. More than ever, it is important for parents to learn ways to keep children safe, trouble free and involved in school.

PTA is the best place to gain that knowledge.

We are not asking you to come in and volunteer - although that would be nice☺.

Simply join PTA and support your student and school!! As a PTA member your vote counts at our monthly PTA meetings.
