

## *Williams Elementary can change the world*

*Each year Williams Elementary students seek ways to give back to the community around us. This year, in an effort to support the Williams Families and faculty who have battled, or are currently battling, cancer we will be raising money for the Susan G. Komen Foundation.*

*The grade levels will compete to see how much money they can raise for the cure. The winning grade level will have a Pink Power Party (pink snacks & games).*

*Each day as the children gather in the gym for P.E. they will deposit the donations they have collected in their grade level collection jar. At the end of the month, the monies will be counted and the winner will be announced.*

***October is National  
Breast Cancer Awareness Month.***
