

# Choir Supplies 2009-2010

Each choir student will need to have at least one pencil (labeled with the students name) and a colored pocketed folder. If possible, please purchase a brad and pocketed colored folder (plastic preferred) that corresponds to the choir class period:

1st period—yellow

2nd period—red

3rd period—green

5th period—orange

6th period— purple

7th period— blue

## Uniforms

Because we wish for Boles choirs to appear very professional, each choir student **MUST** have a choir uniform for use at concerts and contests throughout the year. Uniforms are available for rental. If you know someone who has a choir uniform purchased between 2000-2008 you may borrow or buy a uniform from them. If the uniform requirement poses a financial difficulty, please speak with Mrs. Epley so that arrangements can be made.

The uniform rental fee is \$15 each year. Uniforms will be distributed at schedule card pick-up.
