April 8, 2011

Dear Orchestra Parents,

April is the time to start thinking about orchestra for Boles Junior High. Orchestra at the junior high level requires some hard work, but it also offers plenty of fun with old and new friends. Seventh and eighth graders have several opportunities to participate in lots of different activities throughout the year.

When your kids get to Boles, it is so important to be “in the loop” and know what is going on at school. Being a part of an organization allows you to be involved, and it shows your kids that you want to be a part of their education. We have a Boles Orchestra Booster Club (BOBC) that works behind the scenes to ensure the kids have a great year in orchestra. Working closely with Boles’ orchestra director, Ms. Stone, the Booster Club is in charge of fundraisers, activities, uniforms, receptions, scrapbooking, photography, etc. The orchestra program would not be successful without wonderful parents who volunteer to help to make things run smoothly. Board meetings are held monthly in the orchestra room and are approximately 1½ hours in length.

The Booster Club would welcome your help next year. Attached is a list of BOBC job openings and a brief write-up describing each role’s duties. The Booster Club works as a team, so everyone will work to help you learn your new job. If you are interested in volunteering with the BOBC next year, please return the attached form.

Please call or e-mail me if you have any questions about the Boles Orchestra Booster Club. Thanks so much for your time and commitment. Get ready for a fun and exciting year at Boles!

Camila Holbrook
BOBC President
