Re: Gameday Food Procedures

Dear Bulldog Parent:

Many of our parents bring food to their athletes on gameday. We wholeheartedly endorse this effort on the part of our awesome parents. To make distribution of food more efficient for our parents, athletes, and staff, we ask that you and your child please follow the guidelines below.

7th Grade Athletes' Parents

Please bring food to the cafeteria prior to 3:45 PM.
7th grade athletes are to come by the front office after 8th period to pick up their food on their way to the locker room.

8th Grade Athletes' Parents

Please bring food to the cafeteria prior to 3:00 PM.
8th grade athletes are to come by the front office after 7th period to pick up their food on their way to the locker room.

It is the athlete's responsibility to come by the front office at the appropriate time to pick up their food. The office is unable to deliver food to athletes. We also need the athletes to come by at the appointed time to alleviate traffic in our building during class time and after school. This policy is in effect for all sports, male and female.

Thank-you for your support in this matter and for being the best parents in the A.I.S.D.

GO BULLDOGS!!!
