Amy Benson—Special Education
Cheryl Boyland—Special Education
Angie Smith—PEP Counselor

Alma Mater

We sing of James Bowie High School
And of blue, orange, and white.
May we who claim her colors
Be volunteers for right.
To her we pledge our devotion
And praise her name to the sky.
With excellence we will bring honor
To our school James Bowie High!

BHS Fight Song

Fight on, you Volunteers!
Go, Bowie High School!
Fight bravely onward
And you'll win fame and glory!
For the orange, blue, and white we cheer.
Fight on to victory!
Number one we'll always be... the Volunteers!

Vision Statement

At Bowie High School we promote and honor academic excellence and emphasize success and responsibility in order to produce positive contributors to society.

MISSION STATEMENT

We, at James Bowie High School, believe that all students can learn. We dedicate ourselves to establishing a challenging and creative environment for the purpose of learning. Through education, students will be empowered with the ability to become productive and responsible citizens. We acknowledge that teachers, administrators, parents, and students share in this educational responsibility.

RIGOROUS ACADEMICS

International Baccalaureate

The International Baccalaureate Program is a rigorous course of study for highly motivated students in the 11th and 12th grades. Student work is graded on global standards by assessors around the world, and an IB diploma is internationally honored by universities as proof of excellent preparedness for college work. IB focuses on the whole person, seeking to create inquiring, knowledgeable and caring young people who help to create a better and more peaceful world through intercultural understanding and respect. Bowie graduated 36 IB diploma candidates in 07-08.

Course List (HL = High Level, SL = Standard Level)

English HL	Economics SL
Spanish SL	Visual Arts HL
French SL	Physics SL
History of the Americas HL	Mathematics SL
ITGS SL, HL	CAS
Biology HL	TOK
Chemistry SL	Math Studies SL

AVID is a college preparatory program for grades six through twelve that empowers students to succeed in a rigorous academic curriculum.

The goal of AVID is to educate the whole student by unifying six important elements of education: students, curriculum, faculty, skills, parents, and community.

The AVID curriculum includes instruction in study skills, organizational skills, communication skills, writing, test-taking strategies, personal development, and team-building.
