Enter your TIN in the appropriate box. For individuals, this is your social security number (SSN). **However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3.** For other entities, it is your employer identification number (EIN). If you do not have a number, see **How to get a TIN** on page 3.

Note: If the account is in more than one name, see the chart on page 4 for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), **and**
2. I am not subject to backup withholding because: **(a)** I am exempt from backup withholding, or **(b)** I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or **(c)** the IRS has notified me that I am no longer subject to backup withholding, **and**

For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the Certification, but you must provide your correct TIN. (See the instructions on page 4.)

Purpose of Form

A person who is required to file an information return with the IRS, must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

U.S. person. Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee.

Note: If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Foreign person. If you are a foreign person, use the appropriate Form W-8 (see **Pub. 515**, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien.

Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the recipient has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

CONFLICT OF INTEREST

Effective January 1, 2006, Chapter 176 of the Local Government Code requires a person who contracts or seeks to contract with the Arlington Independent School District for the sale or purchase of property, goods, or services to file a conflict of interest questionnaire with the District. The questionnaire must be filed no later than the seventh business day after the date that the person: (1) begins contract discussions or negotiations with the district or (2) submits to the District a response to a request for proposal or bid, correspondence, or another writing related to a potential agreement with the District.

An updated conflict of interest questionnaire must be filed no later than September 1 of each year in which the person: (1) has begun contract discussions or negotiations with the District or (2) submits to the District an application, response to a request for proposals or bids, correspondence or another writing related to a potential agreement with the District; and (3) the seventh business day after the date on an event that would make a statement in the questionnaire incomplete or inaccurate. The updated questionnaire is not required if the person has filed an updated questionnaire on or after June 1, but before September 1 of that year.

It is the vendor's responsibility to interpret the requirements of Chapter 176 of the Local Government Code.

The conflict of interest questionnaire MUST be completed and SUBMITTED on-line at: <http://www.aisd.net/conflict/register.asp>. (please see note below)

If you have already submitted your application on-line please go to this web site

<http://www.aisd.net/conflict/LogIn.asp> and verify if there are any changes.

The District will post all conflict of interest questionnaires on its website.

PLEASE NOTE: Vendors need to fill out this form ONLY IF A CONFLICT EXISTS.

If no conflict exists, please put "no conflict exists" on the forms checklist page.
