More Than a Remarkable Education

December 19, 2011

Is your 6th grader ready for 7th grade?
Are their shots up to date?

Don't miss work! Avoid the long lines this summer!
Get your class schedule during registration!

**AISD and Tarrant County Public Health are offering immunizations at
Ditto Elementary on January 24, 2012, at 9 am.**

The state of Texas now requires students to have these shots before they can
enroll in 7th grade:

1. Tdap - booster if 5 years have passed since the last dose of a tetanus containing vaccine
2. Varicella (chicken pox) - 2 doses (only 1 dose was previously required)
3. Meningococcal - 1 dose

These vaccines will be available for 6th grade only.

- One vaccine will be \$14.00.
- Two or three vaccines will be \$25.00.

Don't wait until summer!

More information and consent forms will be sent home with your child after
the holidays. If you have any questions, feel free to call me
