RE: VALENTINE'S DAY BOX

Our Valentine's celebration will be on Tuesday, February 14, starting at 2:45. Each student will need to make a Valentine's box or container for their Valentine's cards.

Please bring the boxes in on Tuesday, February 14, with your name clearly visible on the top of the box.

Attached is a list of the names of students in your homeroom. If you choose to bring Valentine greetings, please include one greeting for each classmate in your homeroom. During the celebration, you will be allowed to deliver cards to students who are in other homerooms as well. Please make sure that all Valentine messages are appropriate. Don't forget to sign your name on your Valentine's greeting!!
