Dear Parents,

Fourth graders will make valentine bags in computer class, which will be used for our valentine exchange on Tuesday, February 14th. Although this will not be a formal party, the room mothers will provide treats, and the students will meet in their homerooms to open valentines. Below is a list of the students in our homeroom. Students are not required to bring valentines to exchange, but we ask that if they do choose to bring them, they bring one for everyone in their homeroom. If they have friends in other classes, they can bring additional valentines and will be given time to "mail" them to other classes during the party. We also ask that students wait to bring the valentines no earlier than Monday, February 6, 2012. Thanks for your support and cooperation.

**Please note that our party time differs from other grade levels.
Fourth grade's Valentine party is from 1:55 to 2:30 on Tuesday, February 14th.**
