Jennifer Bollinger, Music Teacher

Dear Parents:

During the 4th 6 weeks, the 2nd grade music classes are working on a Texas Program. We are all learning Texas songs, and students who expressed an interest in speaking have been given a speaking part.

If your child has a speaking part, their lines are highlighted on the attached page. Please work on their lines with them to supplement the work we will be doing in class.

Students need to wear a red, white, and/or blue shirt with blue jeans or blue jean shorts on the day of the performance. They will be active during the performance, so I suggest clothing that will allow them to move and will not cause them to get hot.

We invite you to attend our performance:
