

"Get Healthy, Get Active, Live your Life"

2011 4th Grade Program

Dear Parents,

The 4th graders are hard at work learning their parts for this year's 4th grade program. We are working together with the music department for our program. We are excited to share this program with you.

All of our 4th graders are working on the various songs we will be singing. Those who have expressed an interest in speaking have lines to learn as well. If your child has a speaking part, their lines are highlighted on the attached page. Please work on their lines with them to supplement the work we will be doing in class.

Students need to wear a red shirt with blue jeans or blue jean shorts on the day of performance. They will be active during the performance, so we suggest clothing that will allow them to move.

We invite you to attend our performance:

November 21, 2011

6:30 p.m.

Ditto Elementary Cafeteria

Thanks for your help!
