

Read the following list of categories. After you go home today, choose 3 of the categories and find one item for each. The item must be small enough to fit into the bag that your teacher provides. Try to find items that are 3 dimensional (3-D) and unique. Bring your bag to school on Monday. Be prepared to share the contents of your bag with your classmates.

Choose 3 categories from these:

- A favorite toy, color, music, book, etc.
- Something you'd like to do better
- Something special about your family
