# Kindergarten News and Knots

## What's Happening in Kindergarten?

Language Arts:  
We learned the sounds of the letters t, g, n and p. We also practiced writing them with rainbow writing and scribble art. Have your child read to you the poem we learned this week, "It's September". A copy of the poem is on the back of this newsletter.

Math: We learned how to compare many shapes in our classroom and find out how they are similar and different. Did you know that many objects have flat surfaces or flat sides? Ask your child to find objects around your house with flat sides/surfaces.

Help!!! Help your teacher over the wall by joining PTA. When each class reaches 100% participation in joining PTA their teacher will have completed the obstacle course and hurdled over the wall.

We like to reward our students for good behavior by allowing them to pick a prize from the treasure box. As you are cleaning out our child's toys please save your unopened or gently used small toys for our treasure box. Feel free to donate leftover items from
