Dunn Elementary Progressive Discipline Plan

Philosophy: Good discipline is essential to high academic achievement. Setting high expectations, enforcing school rules consistently, and applying appropriate consequences will benefit all students. Girls/Boys Town Life Skills will be used consistently campus-wide.

In all grades, a severe infraction of the Student Code of Conduct will result in an immediate office referral. Detention will last from 3:25 until 3:45. A parent will be notified for detention. If a parent determines that it is not possible for a student to serve after school detention, the student will be assigned to an alternative detention. If a student does not attend assigned/approved detention, he/she will serve two days of detention. Every fourth assigned detention will result in a student conference with an administrator.
