

## 2017-2018 College Preview Days

Preview Days are like an Open House. They are geared toward high school students “shopping around” for a college. Most have activities that include: presentations on admission, financial aid, scholarships, and overviews of each academic college; tours of the campus, residential options, and dining halls; and meeting current college students to ask questions about student life on campus. Some offer door prizes, opportunities to win scholarships, or application fee waivers. Visit their website to register!
