

# Parent's Request for Self-Administration of Over-the-Counter Medications By the High School Student

A high school student may carry over-the-counter medications for self-administration under the following conditions:

1. Medications must be in original container.
2. Medications must be the proper dosage for age and size of student
3. One or two day's supply may be carried
4. Consent form must be signed and dated by the parent/guardian and carried with the medication.
5. Consent is valid for the entire current school year. A new consent is required for each school year.
6. Medication must not be shared with or distributed to any other student.
