From YOUR Principals:

We are so excited to be back together at Mary Moore Elementary. Our first week has been filled with lots of opportunities to learn new things and to get to know one another. Our high expectations for success with our academics and our behavior have been explained and practiced. Our students know that those high expectations are going to keep us safe and help us

learn, so we're ready for another GREAT year at Moore. Thank you for trusting us with your child and for being our partners in your child's education. Always feel free to share your questions and concerns!

It Starts With Me!
Your Principals,
Vivian Johnson
& Cari Blackstone

Thank you for your patience during dismissal time. Our mission is ALWAYS to keep children safe and to get them safely home. Be courteous to your child's fellow classmates and teachers by respecting and following the traffic guidelines included in the Blue Take Home Folder this week. Please remember that those few minutes in traffic are better than a few hours in the emergency room!

---The Traffic Troll

Please play *The Name Game* with your child! Here's how you play: Write your child's name in EVERYTHING that can be removed, set down, loaned, borrowed or forgotten while at school. You'll be a winner each time your child's item is returned rather than donated at the end of the year!

Help Needed!

Be a Lunch Bunch Reader or a PE "Coach"! We need some approved volunteers to serve as regular PE "Coaches" or helpers from 12:05-12:30 daily and/or guest readers for our kindergarten students from 12:30 until 12:55 Monday through Friday. Pick a day or a week or sign up for the same day each week for the entire year! No experience necessary, but must be willing to move and groove in the gym and/or to read with passion and excitement! You could be a rocking reading star in the eyes of our kindergarten students.

**Y'ALL COME to the 2011
PTA TEXAN ROUND-UP HOT DOG DINNER!

News from your Nurse:

Vision and Hearing Screening will be done on Tuesday, September 6th for 1st, 3rd and 5th grades. I will screen the Kindergarten classes toward mid-year. 5th grade will also be screened for scoliosis and a letter will come home about that. Screening is state mandated, however if you would like your student to be screened by his or her Doctor instead, just let me know. If you are an approved volunteer and would like to help with organizing and shuffling students that day, let me know.

ALSO: I highly recommend that everyone get immunized against the flu. The earlier the better. Help keep your students in school by getting everyone in your home the flu-mist or flu shot soon!

Your Nurse,
Jeanne Varnes RN BSN
