From YOUR Principals:

CONGRATULATIONS! The Education Foundation Prize Patrol made a surprise appearance on our campus Tuesday! Our amazing librarian, Carrie Boden, was awarded \$900 for her Bully Buster grant proposal. Be watching for details about this life-changing opportunity for our students, families, and staff members to make a difference as we unite and address The Bully, The Bullied, and The Bystander at Moore Elementary!

We are also celebrating a new addition to our Moore family! We were able to add a fourth teacher to our kindergarten team and

are blessed to welcome Brooke Hicks to our staff. Mrs. Hicks and her husband, Ryan have a daughter at Bailey JHS and a daughter at Duff ES. We are so grateful to our wonderful kindergarten families who have welcomed Mrs. Hicks with their support and trust as they share their precious children with her. Mrs. Hicks and our kindergarten team have worked very hard together to make sure this transition is as smooth as possible.

Please remember that pets are not allowed on our Campus!!!

We have many students with fragile health issues. Unfortunately, if an animal has teeth, it CAN bite even though it may have never bitten anyone before. Thank you for continuing to help us keep all students safe!

Variety Show

3rd Grade News

Can you believe we are on the home stretch of the first 6-weeks? We told you time flies when you are having fun! If you have received or still have any 'Correct & Return' papers at your house, please get them to school by Friday. Everyone wants their report card grades to be as high as possible. Report cards will be going out on Friday, October 7th. We will also be having Fun Friday on report card day. That will be one fun day! Remember to keep practicing your math facts, reading as much as possible, and practicing keyboarding skills when you get a chance. You can access dancemat.com from your home on the internet to practice those keyboarding skills. Ask your child what they have been learning at school---we are hoping no one says, 'Nothing.' We will be so disappointed because we learn so much every single day.

Please do not leave your car unattended in a fire lane or block handicap parking; it's against the law! Also, remember there is a law prohibiting using a cell phone while driving in a school zone, which includes driving through our campus. Talking to your child is much more fun!
