Washington, D.C. Trip---June, 2013

Are you interested in going to Washington, D.C. with your child or sending your child on an educational hands-on trip? If your answer is "YES," you need to get the trip information from Mrs. Stidom. I know you are probably asking yourself---"Why do I need the information so early with the trip being summer after next?" Well, the answer is simple! If you are really serious about the trip, you will want to get your deposit in and have more time to pay for the trip. Right now, you have about a year and a half to pay it off. If you wait until next school year to sign up and pay your deposit, you will have only 7 months to pay for the trip. Think about it, talk to your friends about going, get the information from Mrs. Stidom, and get your questions answered. Once you and/or your child goes on a trip, they will want to go each time we travel---it's truly a great, fun, and educational experience.

If you are interested in the Boles Junior High School PTA please see the online newsletter for the contact form.

The Health Department is coming to our school on January 25th to provide the 6th grade the immunizations that will be required for admission to Junior High. The consents and payment information was sent home in Wednesday folder on January 11th. We are fortunate that we have been scheduled for January because in February they will not be offered to **ALL** AISD students. If you would like to take advantage of this great opportunity you must get the completed consent and payment back to the clinic. Please feel free to call me for any questions.

Welcome back from the holiday break. I hope everyone had a great holiday season and that each of you are rested and ready for the second half of the school year. There are lots of activities planned throughout the rest of the school year but please don't forget that we still need those Box Tops! There are still 2 more monthly prizes available to win (popcorn, juice, and PJ day) and (Sundaes on Friday). There is also the end of year pizza party which will be awarded to the class who submits the most Box Tops for the entire school year. Please decide within your homeroom classes which party you would like to win and encourage everyone, including your teacher's, to clip those Box Tops. The next submission deadline will be January 27th. Keep clipping!

Thanks,
Cherie Oktay

Thank You, Thank You, Thank You!!!!

We would like to thank all the 3rd graders, parents, and grandparents for our wonderful Christmas gift. We each received a beautiful *Vera Bradley* bag and a gift card that could be spent anywhere. It was such a surprise and a treat! We each went out and just pampered ourselves. You are all so sweet, kind, caring, and always thoughtful. Thank you, thank you, thank you!!!

COMPUTERS FOR KIDS

Computers for Kids (CFK) is an on-going project through AISD that provides refurbished computers to students enrolled in the district **"that do not already have home access to data processing"**. Each machine has been inspected, cleaned, and loaded with word processing software. For students that do not have access to a computer at home, these machines can be a wonderful tool for word processing and language arts that may not otherwise be available. Parents will pick the computers up from Mary Moore and will be required to sign a user agreement that is provided with each computer. This simply verifies that they were provided the information stated in the board policy. Mary Moore also has a variety of educational CD's that we provide along with the computers.

If your family is in need of a computer for your child, please contact our school counselor, Mrs. Schwemer, at 682-867-8900.
