STUDENT DRESS CODE

A student's conduct is related to his/her clothing. Therefore, the school is directly concerned with students' clothing. The appropriateness of a student's clothing for the school environment should dictate the choice of clothing and grooming practices on each given day.

Some campuses have implemented a uniform requirement pursuant to AISD Board policy FNCA (Local). Parents and students should check with the campus to confirm whether uniforms are required. You may obtain a copy of AISD Board policy FNCA(Local) from a campus administrator or review it on the internet at www.aisd.net/board and click on Board Policy.

All students are expected to adhere to common practices of modesty, cleanliness and neatness; to dress in a respectful manner within the acceptable standards of the community and in such a manner as to contribute to the academic atmosphere, not detract from it. Students who fail to comply with this dress code may be sent home and may be subject to disciplinary actions.

Any clothing, accessories, symbols, jewelry or other paraphernalia, which depicts or suggests association with a gang, secret society or fraternity, shall not be brought to school, worn at school or in any way be present at any school-sponsored event.

Any other considerations will be determined by the individual school administrators. The school administration shall have the right to consider any current fashion to determine its acceptability for school wear.

Clarification regarding apparel should be obtained **prior to wearing it to school**; this can be obtained from the school administration. Students in violation of this policy will be subject to disciplinary action as determined by the school's administration.

Teachers are charged with the responsibility of enforcing student dress code in their classes as well as on campus. Administrators and other school personnel share the same responsibility. Teachers shall follow building procedure for discipline referral regarding dress code violations.

No attempt will be made to dictate fashion styles as long as they are in keeping with district policies. It should be noted, however, that it is the responsibility of the student and parent that the student adhere to the dress code, as follows:
