# Fabulous Fourth Grade

Our movie night was a huge success! We would like to thank all the families that came out to support our fourth graders. We made approximately \$500.00, which will pay for most of our field trip to Casa Manana.

## Field Trip

On October 15 and 16, our students were able to enjoy a field investigation at River Legacy Park and Living Science Center. We have been learning about **organisms**, **ecosystems**, **adaptations**, **food chains** and **webs**.

They were able to use what they had learned in the classroom to explore the layers of the forest and the animals that live in it, observe and discuss the characteristics of **vertebrates** and **invertebrates** and learn about **decomposers**, such as snails. It was a very exciting and educational day!

## THANK YOU!

We would like to thank all the parents who participated in the field trip. We truly appreciate your time and help. We could not have done it without you.

## REMEMBER...

- **Trunk or Treat** will be tomorrow at 6:30!
- Your child's teacher will be contacting you about Fall Conferences.
- Make sure your child reads and reviews multiplication facts daily.
