

5th Grade News & Events

The Fifth Grade Teachers

Mr. Glass aglass@aisd.net

Ms. Hunter chunter@aisd.net

Ms. Mahan lmahan@aisd.net

Mr. Miller wmiller@aisd.net

Ms. Peltier cpeltier@aisd.net

Ms. Price aprice1@aisd.net

Upcoming Lessons

Math – students will be working on algebraic and fraction concepts

Social Studies – students will be studying the causes and events of the American Revolution.

Language Arts – students will begin a new novel study, focusing on characterization, cause and effect, and word meanings, using prefixes and suffixes.

Science – students will be finishing light and starting Earth science with a study of the solar system and the atmosphere.

Thanks to everyone who came out for Trunk or Treat. Both students and teachers had a great time. Thanks to all who donated candy!

Thanks to all the fifth graders who have volunteered during recess to sweep up rocks from the playground. The whole school benefits from this act of kindness.

Upcoming Events

11/23 – Awards Assembly

11/25 – 11/29 – Thanksgiving Holiday

12/7 – Spelling Bee

12/8 – Math Benchmark

New Science Website!!!

Students can login to www.studyisland.com to help them with their science skills. There are games and questions to help them study and test their knowledge. Students can login from home by using the first five letters of their last name and their lunch number. Their password is the letter A and their lunch number.

Example:
