

## **Expectations for Students in 9<sup>th</sup> Grade Pre-AP Classes**

### Pre-AP World Geography:

- Summer Reading (book) and project.
- Be willing to read and work outside of class – approximately ½ hour per night.

### Pre-AP English I:

- Summer Reading (book) and assignment.
- Be willing to read and work outside of class – approximately ½ hour per night.

### Pre-AP Biology:

- Be willing to read and work outside of class – approximately ½ hour per night.
- Be willing to collaborate with others as a group for many assignments/projects.
- Be willing to come in for tutorials at lunch or after school when necessary.

### Pre-AP Geometry:

- Be willing to read and work outside of class – approximately ½ hour per night.
- Be willing to come in for tutorials at lunch or after school when necessary.

**Any student who wants to take a Pre-AP class will be allowed to enroll.**

**The “regular” curriculum supports college-ready skills, also. If a student is in all regular classes at Martin High School, he/she is very well prepared for a 4-year college.**
