

2023-2024 Title I School-Parent-Student Compact

Anderson Elementary

What is a School-Parent-Student Compact?

Every student deserves the best education. Our annual school-parent-student compact offers ways that we can work together to help our students be confident and ready for their future. This compact guides us on how we can work together to...

- Help student reach their academic goals
- Focus on student learning
- Explain how teachers and parents can communicate about student progress
- Describe opportunities to be a part of the school

Compacts are Jointly Developed

Working together is important. Parents and teachers have worked together on this compact to list ways we can help students. Our school receives money from the federal government under Title I, Part A of Every Students Succeeds Act to help students meet the State's high standards and invites parents to be a part of the school's community. This compact goes with our Campus Family Engagement Policy and District Family Engagement Policy.

Compacts build Partnerships

Caring adults are essential to helping students learn. We are always looking for volunteers and of course, you can arrange to come observe classroom activities. Community health conditions may change the way adults can volunteer and visit the school, however, we are committed to building a partnership with all parents and families. Here are a few of the main events that we can partner together to help students learn and show them we care about their education.

Parent Workshops, Toddler Time, Math Night, Reading Night, Fall Festival, Multicultural Night, Open House, Reading and Recess with Dad.

Communication about Student Learning

We are committed to talking with you about your student's learning. Here are some ways we can make sure that we are communicating regularly about your student's progress:

- Parent Self-Serve <https://www.aisd.net/district/resources/self-serve-portals/>
- Progress Reports and Report Cards in six-week intervals
- Parent-Teacher Conferences- We will discuss your student's progress and this compact. Please contact your child's teacher by Class Dojo.
- You can contact us through these apps Class Dojo or by emailing your student's teacher.

Goals

We know you have goals for your student, and we do too. We provide excellent curriculum and teaching to help your student meet the State's high standards. Your student's teacher will be glad to show you what materials and programs we use.

District Goal

100% of AISD students will graduate exceptionally prepared for college, career, and citizenship.

Student Outcome

Goals:

- *Students will increase performance on STARR across content areas by at least a 5%-point gain.*
- *All students will be at 68% approaches level (3rd-6th).*

Focus Areas of Learning:

- *Mathematical calculations*
- *Fluency in mathematical data*
- *Fluency in reading*
- *Fluency with words*
- *Comprehension in reading*
- *Strengthen academic vocabulary.*

Because every student deserves the best education, together, we commit to the following

Teachers will...

- **Model instruction and provide parents with materials and strategies by grade level during Parent workshops, academic nights, Class Dojo, and newsletters.**
- **Will share strategies and resources with parents on choosing grade-level reading materials.**

Parents can...

- ***Practice with their student grade-level reading strategies to improve fluency and strengthen vocabulary.***
- ***Apply mathematical problems and strategies to help students make real concept connections.***
- ***Practice math facts with their student.***
- ***Attend parent workshops and academic nights to learn strategies to use at home.***

Students can...

- **Students will read at least 20 minutes each day.**
- **Students will practice math facts for fluency using manipulatives or online resources.**
- **Students will find ways of using math concepts and apply them to real world scenarios.**

Together, we'll make sure your child has the best education.
