

## WHAT IS A SCHOOL-PARENT-STUDENT COMPACT?

Every student deserves the best education. Our annual school-parent-student compact offers ways that we can work together to help our students be confident and ready for their future. This compact guides us on how we can work together to...

- Help student reach their academic goals
- Focus on student learning
- Explain how teachers and parents can communicate about student progress
- Describe opportunities to be a part of the school

## JOINTLY DEVELOPED

Working together is important. Parents and teachers have worked together on this compact to list ways we can help students.

Our school receives money from the federal government under Title I, Part A of Every Students Succeeds Act to help students meet the State's high standards and invites parents to be a part of the school's community. This compact goes with our Campus Family Engagement Policy and District Family Engagement Policy.

## BUILDING PARTNERSHIPS

Caring adults are very important for helping students learn. We always need volunteers. You can learn more about how to help at [aisd.net/community/volunteer](https://www.aisd.net/community/volunteer).

You can also come to see the classroom by making an appointment with the principal and teacher. Your child's teacher will share ways to help your child at home during the school year. Extracurricular activities are another way for students to learn and for us to build partnerships.

These are some main events where we can work together to help students learn and show we care about their education:

- FAFSA Night for Seniors
- Early College Enrollment Information
- 8th Grade Cohort Orientation
- Culture festival
- TCC SE Student Life activities
