SHINE Program

An Exciting Opportunity for Tarrant County High School Students!

What is the JPS SHINE Program?

The JPS **SHINE** Program (Students in Healthcare for Individual Empowerment) is an **eight-week, paid summer internship** for high school students (ages 16-18) interested in pursuing careers in healthcare. Gain hands-on experience, mentorship, and a unique glimpse into the world of health sciences while earning money and exploring your future!

Who Can Join?

The JPS SHINE program admits 30 Tarrant County high school students who are eager to learn about healthcare and make a difference in their community.

Program Highlights

- **Cohorts:** Choose from Clinical or Non-Clinical tracks based on your interests
- **Mentorship:** Work with experienced healthcare professionals from across JPS Health Network
- **Skills and Certifications:** Upon completion, students will be prepared to take certification exams in the following areas:
 - PCT (Patient Care Technician)
 - EKG (Electrocardiogram Technician)
 - Phlebotomist
 - Health Information Management (HIM) Operations
 - Patient Experience

Benefits of SHINE

- Gain **hands-on experience** in healthcare
- Build valuable **skills** and earn **certifications**
- Discover **potential career paths** in healthcare
- **Build connections** with industry professionals

Don't miss out on this chance to **SHINE** in your future!
