## VERIFICATION OF EDUCATION (VOE)

To obtain a permit or license, you must present a VOE (Verification of Enrollment) from your school, confirming enrollment and attendance. VOEs are issued based on the 90% attendance rule. Students meeting attendance requirements can easily receive a VOE from their AP. Excessive absences, skips, or tardies may result in an attendance contract, with status reviewed after three weeks.

There is a 24-hour turnaround when requesting a VOE. Qualifications are based on attendance and grades. You are responsible for going to your attendance office after 24 hours to collect your requested VOE.
