

2023-2024 Title I School-Parent-Student Compact

Berry Elementary

What is a School-Parent-Student Compact?

Every student deserves the best education. Our annual school-parent-student compact offers ways that we can work together to help our students be confident and ready for their future. This compact guides us on how we can work together to...

- Help student reach their academic goals
- Focus on student learning
- Explain how teachers and parents can communicate about student progress
- Describe opportunities to be a part of the school

Compacts are Jointly Developed

Working together is important. Parents and teachers have worked together on this compact to list ways we can help students. Our school receives money from the federal government under Title I, Part A of Every Students Succeeds Act to help students meet the State's high standards and invites parents to be a part of the school's community. This compact goes with our Campus Family Engagement Policy and District Family Engagement Policy.

Compacts build Partnerships

Caring adults are essential to helping students learn. We are always looking for volunteers and of course, you can arrange to come observe classroom activities. Community health conditions may change the way adults can volunteer and visit the school, however, we are committed to building a partnership with all parents and families. Here are a few of the main events that we can partner together to help students learn and show them we care about their education.

Math-O-Ween

Winter Read Around

Math Egg-stravaganza

Communication about Student Learning

We are committed to talking with you about your student's learning. Here are some ways we can make sure that we are communicating regularly about your student's progress:

- Parent Self-Serve
- Progress Reports and Report Cards in six-week intervals
- Parent-Teacher Conferences- We will discuss your student's progress and this compact. Please contact your child's teacher by Class Dojo
- You can contact us by telephone or by emailing your student's teacher.

Goals

We know you have goals for your student and we do too. We provide excellent curriculum and teaching to help your student meet the State's high standards. Your student's teacher will be glad to show you what materials and programs we use.

District Goal

100% of AISD students will graduate exceptionally prepared for college, career, and citizenship

Student Outcome

Goals:

The goal of Berry Elementary is to promote and support relevant and engaging learning experiences for all students.

Focus Areas of Learning:

Reading fluency in all content areas,

Reading comprehension in all content areas.

Because every student deserves the best education, together, we commit to the following

Teachers will...

Conduct the planning of groups and activities within the campus to serve as active communicators with parents and other school holders. Work cooperatively with colleagues in different grade levels for the improvement of campus professional atmosphere and the exchange of quality academic expertise.

Respond rapidly in the needs of the campus community by setting effective times for small group support, intervention and differentiation approaches.

Parents can...

Be included in the relationship with teachers and understand how important it is that everyone participates in the process to help their children to become lifelong learners. Help by understanding that attendance and being on time is a life skill, not just something that is required. Participate communicate and learn as well as their children.

Students can...

Take responsibility for their own learning by setting goals and keeping track of their progress throughout the school year. Set aside time away from school to read to self and others.

Together, we'll make sure your child has the best education.
