

2023-2024 Title I School-Parent-Student Compact

Blanton Elementary

What is a School-Parent-Student Compact?

Every student deserves the best education. Our annual school-parent-student compact offers ways that we can work together to help our students be confident and ready for their future. This compact guides us on how we can work together to...

- Help student reach their academic goals.
- Focus on student learning.
- Explain how teachers and parents can communicate about student progress.
- Describe opportunities to be a part of the school.

Compacts are Jointly Developed

Working together is important. Parents and teachers have worked together on this compact to list ways we can help students. Our school receives money from the federal government under Title I, Part A of Every Students Succeeds Act to help students meet the State's high standards and invites parents to be a part of the school's community. This compact goes with our Campus Family Engagement Policy and District Family Engagement Policy.

Compacts build Partnerships

Caring adults are essential to helping students learn. We are always looking for volunteers and of course, you can arrange to come observe classroom activities. Community health conditions may change the way adults can volunteer and visit the school, however, we are committed to building a partnership with all parents and families. Here are a few of the main events that we can partner together to help students learn and show them we care about their education.

Math-O-Ween (Math Academic Night), Reading Night, and Parent Education Workshops.

Communication about Student Learning

We are committed to talking with you about your student's learning. Here are some ways we can make sure that we are communicating regularly about your student's progress:

- Parent Self-Serve
- Progress Reports and Report Cards in six-week intervals
- Parent-Teacher Conferences- We will discuss your student's progress and this compact. Please contact your child's teacher by Class Dojo
- You can contact us through these apps Class Dojo or by emailing your student's teacher.

Goals

We know you have goals for your student, and we do too. We provide excellent curriculum and teaching to help your student meet the State's high standards. Your student's teacher will be glad to show you what materials and programs we use.

District Goal

100% of AISD students will graduate exceptionally prepared for college, career, and citizenship.

Student Outcome

Goals:

The goal at Blanton Elementary is that each student is reading on or at their grade level.

Focus Areas of Learning:

Two academic areas we will be focusing on this year is Reading fluency and problem solving.

Because every student deserves the best education, together, we commit to the following

Teachers will...

Send home notes to the parent about students, will communicate to parents using Class Dojo, send home flyers for upcoming events, and will dedicate time to parents for conferences.

Parents can...

Use Class Dojo to communicate to teachers, reach out to the teacher first with any questions or concerns, and parents can work with their students over their class work.

Students can...

Ask questions when they need help, be accountable for their work, and students will complete assignments in a timely manner.

Together, we'll make sure your child has the best education.
