

## TRANSPORTATION

The \$18 million for transportation in the bond package will enable the AISD to improve its fleet with safer and more efficient buses and vehicles. Additional buses will support off-campus programs and growth in special education programs.

### New buses and service vehicles include:

- Regular education buses - replace 59, add 12
  - ➔ Mix of propane and diesel buses
- Special education buses - replace 37, add 6
- Service vehicles - replace 130, add 20
  - ➔ For student programs, security and maintenance

### New bus and passenger tracking system

- Zonar system in each bus
  - ➔ Tracking system records entry and exit of each bus passenger
  - ➔ GPS tracks exact location of bus
  - ➔ Device allows driver to conduct pre- and post-trip bus checks electronically
