What do IB Alumni say about the programme?

"Being in IB was an amazing experience that prepared me well for college. The teachers were amazing and I learned more than I ever thought I would!" -Blessing Johnny BHS Class of 2015-BAYLOR UNIVERSITY

"IB really pushed me to expect more from myself and from my work. While experiencing the program I didn't realize that all the work I was assigned wasn't only subject specific, but it forced me to be a better student. Now with nightly readings and writing, I'm so grateful to have had the experience.." -Bryan Holden BHS Class of 2015-NORTHWESTERN UNIVERSITY
