

Leadership Board Meeting

October 14, 2021

Resources

<u>TEA P-TECH</u> (from TEA)	<u>BHS PTECH Planning</u>	<u>P-TECH Responsibilities</u>
<u>2020-2021 P-TECH Blueprint</u> (from TEA)		

Outcomes/Discussion Topics:

- ❖ CCRSM Coach Update -Johannes Starks
 - Meeting November 11, 2021 from 1-3pm
- ❖ OBM/Program Highlights
 - October Snapshot Date
 - Access
 - We are targeting At-Risk, Economically Disadvantaged, Male students in our recruitment efforts
 - Attainment
 - 93% of our students are enrolled in DC courses
 - All students are on track to complete a certification or an Associates
 - We are keeping a log of presenters to help with our WBL requirement of 50%; Strategic Partner opportunities (4th year accountability measure)
 - Achievement
 - TSI tutoring will be available to students during their Friday DC course time
- ❖ Health Occupations Summit Reflection
- ❖ Student Recruitment Updates

Decisions/Questions:

- ❖ How can we improve the **Health Occupations Summit** for the 2022-2023 school year?
 - Should we include all students or Freshmen only?
 - What should career exposure look like for Sophomores?
 - How can we enhance the learner experience for students?
- ❖ How can we improve on the marketing/branding of our program to target **students**?
 - What languages should we include in our marketing materials?
 - Is there an opportunity to involve our Industry/IHE partners in this process?

Notes:

Action Plan/Next Steps:

Task	Assigned To	Due Date	Notes
