

Frequently Asked Questions

Q: How do I enroll in a Career and Technical Center (CTC) or Agricultural Science Center (ASC) classes?

*A: All students will register at their assigned campus, following the **District Registration Process**, then they will request the elective classes they desire (including all CTC and ASC courses) with their school counselor. (Some CTC and ASC classes may not be available due to a course being at maximum seat capacity.)*

Q: What are the hours/bell schedule of the Career and Technical Center or Agricultural Science Center and how do they correspond to the home campus' bell schedule?

*A: **CTC & ASC Bell Schedule***

Q: Is there transportation available for students to and from the Career and Technical Center and Agricultural Science Center?

*A: Yes, **buses are available** to/from all six high schools to/from both the Career Technical Center and Agricultural Science Center. ***HUB stops after 4th and 10th period are still being worked on, but at this time not available. After 5th & 11th period classes the only transportation available will be back to the home campus. Students may be picked up from the CTC or their home campus.*

Q: What services will the Career and Technical Center or Agricultural Science Center offer to the public?

*A: **Various services** will be offered from many of our Career Pathways during the 2017-2018 school year.*

Q: Can students meet their required graduation endorsements (per HouseBill 5) through classes at the Career and Technical Center or Agricultural Science Center?

*A: Absolutely! Courses from both the Career and Technical and Agricultural Science Centers will meet one or more of the following endorsement areas: Business & Industry, Public Service, STEM, and Multidisciplinary. (**Specific information can be found in the AISD Accelerate Magazine**)*

Q: What industry certifications are available for students who take classes at the Career and Technical Center or Agricultural Science Center?

*A: Arlington ISD offers **32 industry certification exams** and covers 100% of the costs.*

Q: Where can I find information about requirements for a student accepted into Cosmetology I?

*A: Cosmetology instructors sent out **a letter** to students during the Summer explaining requirements.*

Q: Where can I find information about fees, types of animals allowed, and the Future Farmers of America (FFA) chapter details?

*A: Most information needed regarding this topic can be found on the **AISD FFA website**.*
