

2023-2024 Title I School-Parent-Student Compact

Dunn Elementary

What is a School-Parent-Student Compact?

Every student deserves the best education. Our annual school-parent-student compact offers ways that we can work together to help our students be confident and ready for their future. This compact will guide us on how we can work together to...

- Help student reach their academic goals
- Focus on student learning
- Explain how teachers and parents can communicate about student progress
- Describe opportunities to be a part of the school

Compacts are Jointly Developed

Working together is important. Parents and teachers have worked together on this compact to list ways we can help students. Our school receives money from the federal government under Title I, Part A of Every Students Succeeds Act to help students meet the State's high standards and invites parents to be a part of the school's community. This compact goes with our Campus Family Engagement Policy and District Family Engagement Policy.

Compacts build Partnerships

Caring adults are essential to helping students learn. We are always looking for volunteers and of course, you can arrange to come observe classroom activities. This year the community health conditions may change the way adults can volunteer and visit the school, however, we are committed to building a partnership with all parents and families. Here are a few of the main events that we can partner together to help students learn and show them we care about their education.

Title 1 Parent Advisory Committee, PTA, Toddler Time, Parent Empowerment Workshops

Communication about Student Learning

We are committed to talking with you about your student's learning. Here are some ways we can make sure that we are communicating regularly about your student's progress:

- Parent Self-Serve <https://www.aisd.net/families/>
- Progress Reports and Report Cards in six-week intervals <https://www.aisd.net/families/>
- Parent-Teacher Conferences- We will discuss your student's progress.
- You can contact us through the following apps or by emailing your student's teacher directly. Facebook, Class Dojo, and Email

Goals

We know you have goals for your student and we do too. We provide excellent curriculum and teaching to help your student meet the State's high standards. Your student's teacher will be glad to show you what materials and programs we use.

District Goal

Academic Achievement

School goals and focus areas of learning

Goals:

Each student will demonstrate one years growth in their reading level as well as automaticity in the appropriate level of math facts.

Focus Areas of Learning:

Phonics

Phonemic Awareness

Vocabulary

Fluency

Reading comprehension

Because every student deserves the best education, together, we commit to the following:

Teachers will...

- Model instruction
- Provide the FEL with beginning, middle, and end of the year reading levels so that appropriate books can be sent home with each student at the end of each grading period.
- Set up structures to teach and assess automaticity with math facts.
- Build and maintain positive relationships that foster student success
- Encourage open lines of communication

Students can...

- Follow expectations by being ready, responsible, and respectful
- Read 20 minutes each night
- Practice math facts each night at home (xtramath.org)
- Talk to parents about what they learned in school and ask questions when they don't understand

Parents can...

- Develop a daily home learning schedule with your child for completing schoolwork, nightly reading and math fact practice
- Communicate with their child's teacher
- Verify their child's assignment submissions as well as attendance through their parent self-serve account

Together, we'll make sure your child has the best education.
