

2023-2024 Title I School-Parent-Student Compact

Ellis Elementary

What is a School-Parent-Student Compact?

Every student deserves the best education. Our annual school-parent-student compact offers ways that we can work together to help our students be confident and ready for their future. This compact will guide us on how we can work together to...

- Help student reach their academic goals
- Focus on student learning
- Explain how teachers and parents can communicate about student progress
- Describe opportunities to be a part of the school

Compacts are Jointly Developed

Working together is important. Parents and teachers have worked together on this compact to list ways we can help students. Our school receives money from the federal government under Title I, Part A of Every Students Succeeds Act to help students meet the State's high standards and invites parents to be a part of the school's community. This compact goes with our Campus Family Engagement Policy and District Family Engagement Policy.

Compacts build Partnerships

Caring adults are essential to helping students learn. We are always looking for volunteers and of course, you can arrange to come observe classroom activities. We are committed to building a partnership with all parents and families. There are several main events that we can partner together to help students learn and show them we care about their education.

Communication about Student Learning

We are committed to talking with you about your student's learning. Here are some ways we can make sure that we are communicating regularly about your student's progress:

- Parent Self-Serve:
<https://www.aisd.net/district/resources/self-serve-portals/>
- Progress Reports and Report Cards in six-week intervals
- Parent-Teacher Conferences- We will discuss your student's progress and this compact. Please contact your child's teacher by email or class dojo.
- You can contact us through these class apps or by emailing your student's teacher.

Goals

We know you have goals for your student and we do too. We provide excellent curriculum and teaching to help your student meet the State's high standards. Your student's teacher will be glad to show you what materials and programs we use.

District Goal

100% of AISD students will graduate exceptionally prepared for college, career, and citizenship

School goals and focus areas of learning

Goals:

By adopting the Big Five Instructional Focus Areas (Exceptional Tier 1 Instruction; Explosive Activities; Inverted Gradual Release Model; Relationships, Relevance, Rigor; and Formative Assessments), along with teacher developed rubrics to address each focus area, teachers will enhance their instructional practices; therefore, increasing students outcomes at 80% mastery of all learning objectives.

Focus Areas of Learning:

- 1) Literacy
- 2) Problem Solving
- 3) Growth Mindset

Because every student deserves the best education, together, we commit to the following:

Teachers will...

Model instruction and provide parents with reading materials and strategies by grade level during parent workshops, newsletters and Class apps

Share tips and resources with parents on how to choose the right reading level book

Create a school-wide problem solving strategy and share it with parents to use at home

• Parents can...

Practice with their children grade level reading strategies to improve fluency and vocabulary building

Read with their children daily

Use the problem solving strategy to help children make real world/math concept connections

Practice math facts with their child

• Students can...

Keep a reading log of weekly readings

Read at least 20 minutes each day

Practice math facts for fluency (repetitive practice) using manipulatives or online resources

Use problem solving strategy to solve math problems at school and home

Together, we'll make sure your child has the best education.
