

2024-2025 Title I School-Parent-Student Compact

Gunn Junior High & Fine Arts and Dual Language Academy

What is a School-Parent-Student Compact?

Every student deserves the best education. Our annual school-parent-student compact offers ways that we can work together to help our students be confident and ready for their future. This compact guides us on how we can work together to...

- Help student reach their academic goals
- Focus on student learning
- Explain how teachers and parents can communicate about student progress
- Describe opportunities to be a part of the school

Compacts are Jointly Developed

Working together is important. Parents and teachers have worked together on this compact to list ways we can help students. Our school receives money from the federal government under Title I, Part A of Every Students Succeeds Act to help students meet the State's high standards and invites parents to be a part of the school's community. This compact goes with our Campus Family Engagement Policy and District Family Engagement Policy.

Compacts Build Partnerships

Caring adults are very important for helping students learn. We always need volunteers, and you can learn more about how to help at aisd.net/community/volunteer. You can also come to see the classroom by making an appointment with the principal and teacher. Your child's teacher will share ways to help your child at home during the school year. Extracurricular activities are another way for students to learn and for us to build partnerships. These are some main events where we can work together to help students learn and show we care about their education.

Please refer to our Swamp Bites for details on weekly events.

Athletics, Dance, Theatre, Choir, Band and Orchestra are some of the extracurriculars offered on our campus, for more information, please refer to the staff directory on our Campus website.

Communication about Student Learning

We are committed to talking with you about your student's learning. Here are some ways we can make sure that we are communicating regularly about your student's progress:

- Parent Self-Serve
- Progress Reports and Report Cards in six-week intervals (Also available on Parent Self-Serve)
- Parent-Teacher Conferences- We will discuss your student's progress and this compact. Please contact your child's teacher via email ([can be found in our staff directory](#))
- You can contact us through these apps: Remind101, SportsYou, or by emailing your student's teacher.

Goals

We know you have goals for your student, and we do too. We provide excellent curriculum and teaching to help your student meet the State's high standards. Your student's teacher will be glad to show you what materials and programs we use.
