

2023-2024 Title I School-Parent-Student Compact

Lynn Hale Elementary

What is a School-Parent-Student Compact?

Every student deserves the best education. Our annual school-parent-student compact offers ways that we can work together to help our students be confident and ready for their future. This compact guides us on how we can work together to...

- Help student reach their academic goals
- Focus on student learning
- Explain how teachers and parents can communicate about student progress
- Describe opportunities to be a part of the school

Compacts are Jointly Developed

Working together is important. Parents and teachers have worked together on this compact to list ways we can help students. Our school receives money from the federal government under Title I, Part A of Every Students Succeeds Act to help students meet the State's high standards and invites parents to be a part of the school's community. This compact goes with our Campus Family Engagement Policy and District Family Engagement Policy.

Compacts build Partnerships

Caring adults are essential to helping students learn. We are always looking for volunteers and of course, you can arrange to come observe classroom activities. Community health conditions may change the way adults can volunteer and visit the school, however, we are committed to building a partnership with all parents and families. Here are a few of the main events that we can partner together to help students learn and show them we care about their education.

***Hispanic Heritage Night, Math, Reading, and Science Academic Nights, African American History Night,
Veterans Day***

Communication about Student Learning

We are committed to talking with you about your student's learning. Here are some ways we can make sure that we are communicating regularly about your student's progress:

- Parent Self-Serve <https://is-teams.aisd.net/selfserve/EntryPointHomeAction.do?parent=true>
- Progress Reports and Report Cards in six-week intervals

-
- Parent-Teacher Conferences- We will discuss your student's progress and this compact. Please contact your child's teacher by phone or e-mail.
- You can contact us through these apps Class Dojo or Facebook or by emailing your student's teacher.
- List additional ways schools communicate about student learning is through Class dojo and the student's planner.

Goals

We know you have goals for your student and we do too. We provide excellent curriculum and teaching to help your student meet the State's high standards. Your student's teacher will be glad to show you what materials and programs we use.

District Goal

100% of AISD students will graduate exceptionally prepared for college, career, and citizenship.

Student Outcome

Goals:

Improve student passing rates for STAAR Math, Reading and Science by 3 percentage points in Approaches, Meets, and Masters.

Focus Areas of Learning:

We will be working on Math Numeracy to improve Math scores. We will also focus on writing to improve student reading scores.

Because every student deserves the best education, together, we commit to the following

Together, we'll make sure your child has the best education.
