## *Kooken Education Center*

### What is a School-Parent-Student Compact?

Every student deserves the best education. Our annual school-parent-student compact offers ways that we can work together to help our students be confident and ready for their future. This compact guides us on how we can work together to...

- Help student reach their academic goals
- Focus on student learning
- Explain how teachers and parents can communicate about student progress
- Describe opportunities to be a part of the school

---

### Compacts are Jointly Developed

Working together is important. Parents and teachers have worked together on this compact to list ways we can help students. Our school receives money from the federal government under Title I, Part A of Every Students Succeeds Act to help students meet the State's high standards and invites parents to be a part of the school's community. This compact goes with our Campus Family Engagement Policy and District Family Engagement Policy.

---

### Compacts build Partnerships

Caring adults are essential to helping students learn. We are always looking for volunteers and of course, you can arrange to come observe classroom activities. Community health conditions may change the way adults can volunteer and visit the school, however, we are committed to building a partnership with all parents and families. Here are a few of the main events that we can partner together to help students learn and show them we care about their education.

*Infant time/Toddler Time, Math-o-Ween, Parent Educational Classes, Spring Science*

---

### Communication about Student Learning
