

Passing Periods

Students:

- Students will travel on the “right side” of the hallway.
- Wear a mask appropriately (covering mouth and nose) at all times.
- Walk in single file (not shoulder-to-shoulder).
- Maintain six feet of distance (at least an arm’s length) between other students.
- Continuous movement to class (no grouping together).
- All restrooms will be closed during 5 minute passing periods.
 - *Students will be able to use the restroom during the period in asynchronous time.*
- Water fountains will be turned off.
- Snack machines will be turned off.

Teachers:

- Teachers will release students, in an orderly fashion, to keep social distancing.
- Teachers will wait in the classroom for students to arrive.
- Teachers on PLC will help clear hallways once prior class dismissal bell rings, until 5 minutes after PLC period starts.
