

AP Spanish Language and French Language Exams

PREPARE IN ADVANCE

For these exams, you **MUST** use either a smart phone or a tablet.

You **cannot** use a Chromebook, laptop, or PC for the world language exams, so please plan accordingly!

CHECK IN EARLY!

You will receive your ticket (login info.) about 48 hours before your scheduled exam via email. It will also be available from your CB account (My AP Profile).

Please make sure you have successfully accessed your ticket the day before the test.

APP DOWNLOAD REQUIRED

There will be a downloadable App for both Apple and Android devices in your App store. Please download this well in advance of your scheduled exam.

WORK SPACE CONSIDERATIONS

Because this is a **speaking** exam, you will need a **quiet** environment to record your response.

You will need to ensure your **internet/WiFi** connection is **strong**, as well as ensuring there is no **feedback**, and that your voice is clearly **audible** without breaking up.

STUDENT WORKSHEET COMPLETION

There is a student worksheet you will need to complete that you should have with you during your exam.

You will be notified by email when this worksheet is available for you to complete.

DON'T HAVE WHAT YOU NEED?

If you do not have access to a smart phone or tablet, and/or you do not have an internet connection, please contact CB directly by either calling 888-225-5427 or by completing the requested information at <https://collegeboard.tfaforms.net/74> You must contact College Board by this Friday, April 24th if you need a device or internet
