

Spring Forward

Working together to finish 2020-21
#WarrorStrong!

Successful Students...

*Click white links
to access
resources*

- Use a calendar to keep track of assignments, tests, projects, and live class sessions. Utilize the following resources when setting up your calendar.
 - [Example student schedule](#)
 - [A/B schedule](#)
 - MHS campus [bell schedule](#)
- Attend all live sessions and participate. Absences for these sessions should be only due to technical issues or illness. Notify teachers by email, Remind message, Canvas message, etc. when you are unable to attend.
- Turn in assignments on time. Don't procrastinate!
 - Use your [Canvas calendar](#) to help you stay on top of due dates.
- Communicate with your teacher! Teachers don't know what you are struggling with if you don't tell them. Use email, the private chat feature in live sessions, Remind, etc. to reach out immediately when you need help.
- Check your grades/assignments in TEAMS weekly. Be on the lookout for 0's and M's. This means you have not turned in the assignment or that you turned it in late.

Parents/Guardians of Successful Students...

- Help their student establish a regular school day routine and set up a calendar for assignments, tests, and live sessions. (See example and resources above.)
 - Help their student find and design a space at home for school work that is away from distractions and conducive to learning.
 - Check student grades in Parent Self Serve weekly or use the link in the teacher newsletters. Be on the lookout for 0's and M's. This indicates that your student has not turned in assignments or has turned them in late.
 - Instructions to set up [Parent Self Serve](#)
 - Consider in-person instruction if their student is struggling. Class sizes are small and we are able to socially distance all students/staff during class, lunch, and passing periods.
 - Request [in-person instruction](#)
