

# 2021-2022 Title I School-Parent-Student Compact

## *Patrick Elementary*

### What is a School-Parent-Student Compact?

Every student deserves the best education. Our annual school-parent-student compact offers ways that we can work together to help our students be confident and ready for their future. This compact will guide us on how we can work together to...

- Help student reach their academic goals
- Focus on student learning
- Explain how teachers and parents can communicate about student progress
- Describe opportunities to be a part of the school

---

### Compacts are Jointly Developed

Working together is important. Parents and teachers have worked together on this compact to list ways we can help students. Our school receives money from the federal government under Title I, Part A of Every Students Succeeds Act to help students meet the State's high standards and invites parents to be a part of the school's community. This compact goes with our Campus Family Engagement Policy and District Family Engagement Policy.

---

### Compacts build Partnerships

Caring adults are essential to helping students learn. We are always looking for volunteers and of course, you can arrange to come observe classroom activities. This year the community health conditions may change the way adults can volunteer and visit the school, however, we are committed to building a partnership with all parents and families. Here are a few of the main events that we can partner together to help students learn and show them we care about their education.

#### *Events for the school year*

***Math-O-Ween, Reading Night, Hispanic Heritage Celebration, Black History Celebration, Coffee with the Principal and Virtual Community Updates.***

---

### Communication about Student Learning

We are committed to talking with you about your student's learning. Here are some ways we can make sure that we are communicating regularly about your student's progress:

- Parent Self-Serve (<https://www.aisd.net/family-support/>)
- Progress Reports and Report Cards in six-week intervals
- Parent-Teacher Conferences- We will discuss your student's progress and this compact. Please contact your child's teacher by emailing your student's teacher.
- You can contact us through these apps or by emailing your student's teacher-Class Dojo.

## Goals

We know you have goals for your student and we do too. We provide excellent curriculum and teaching to help your student meet the State's high standards. Your student's teacher will be glad to show you what materials and programs we use.

### District Goal

100% of AISD students will graduate exceptionally prepared for college, career, and citizenship

### School goals and focus areas of learning

#### Goals:

- 1) Student Achievement on STAAR will reach 70% for "Approaches", 46% for "Meets" and 20% for "Masters".
- 2) Increase percent of students reading on grade level by 20%
- 3) Decrease students referrals by at least 20%

#### Focus Areas of Learning:

- 1) Reading Fluency and Vocabulary
- 2) Math Computation
- 3) Student Goal Setting

Because every student deserves the best education, together, we commit to the following:

#### Teachers will...

- Model instruction and provide parents with reading materials and strategies by grade level during parents workshops, newsletters and Class Dojo.
- Share with parents tips and resources on how to choose the right reading level book.
- Send home to parents one math application problem per week.
- Host grade level math and reading nights to share strategies with parents.

#### Parents can...

- Practice with their children grade level reading strategies to improve fluency and vocabulary building.
- Read with their children daily
- Use application problems and other strategies to help children make real world/math concept connections.
- Practice math facts with their child
- Attend virtual parent workshops and virtual academic nights to learn strategies to use at home.

#### Students can...

- Help make sure all activities in See Saw & Canvas are done.
- Will read at least 20 minutes each day.
- Will practice math facts for fluency (repetitive practice) using manipulatives or online resources.
- Will find ways of using math concepts at home.

*Together, we'll make sure your child has the best education.*
