

About the Compact

Patrick Elementary strives for excellence for all students. However, it cannot be done alone. The relationship between the school, the home, and the community is vital. Parent support and collaboration is the foundation that we build everything else on.

The purpose of the Parent/School Compact is to outline how the parents, staff and students will share the responsibility for improved student achievement. This compact was developed from input gathered by the Patrick Elementary School Staff and the Campus Site-Based Committee.
