

2023-2024 Title I School-Parent-Student Compact

Eddy and Debbie Peach Elementary

What is a School-Parent-Student Compact?

Every student deserves the best education. Our annual school-parent-student compact offers ways that we can work together to help our students be confident and ready for their future. This compact guides us on how we can work together to...

- Help student reach their academic goals.
- Focus on student learning.
- Explain how teachers and parents can communicate about student progress.
- Describe opportunities to be a part of the school.

Compacts are Jointly Developed

Working together is important. Parents and teachers have worked together on this compact to list ways we can help students. Our school receives money from the federal government under Title I, Part A of Every Students Succeeds Act to help students meet the State's high standards and invites parents to be a part of the school's community. This compact goes with our Campus Family Engagement Policy and District Family Engagement Policy.

Compacts build Partnerships

Caring adults are essential to helping students learn. We are always looking for volunteers and of course, you can arrange to come observe classroom activities. Community health conditions may change the way adults can volunteer and visit the school, however, we are committed to building a partnership with all parents and families. Here are a few of the main events that we can partner together to help students learn and show them we care about their education.

Academic Nights Parent Empowerment Workshops Toddler Time Dads Engaged for Excellence
Family Engagement Events

Communication about Student Learning

We are committed to talking with you about your student's learning. Here are some ways we can make sure that we are communicating regularly about your student's progress:

- Parent Self-Serve (Progress Reports and Report Cards in six-week intervals)
<https://www.aisd.net/district/resources/self-serve-portals/>
- Parent-Teacher Conferences- We will discuss your student's progress and this compact. Please contact your child's teacher by ClassDojo, email, Viking Communicator or by phone
- You can contact us through these methods, ClassDojo, by emailing your student's teacher or calling the school at (682) 867-6100

Goals

We know you have goals for your student and we do too. We provide excellent curriculum and teaching to help your student meet the State's high standards. Your student's teacher will be glad to show you what materials and programs we use.

District Goal

100% of AISD students will graduate exceptionally prepared for college, career, and citizenship

Student Outcome

Goals:

- Students will demonstrate growth equal to a year or more in all measured areas.
- Students will receive differentiated academic supports through small group instruction.

Focus Areas of Learning:

- Math Problem Solving and Numeracy
- Reading Comprehension and Vocabulary
- Writing Fluency in all Content Areas
- Math Fluency

Because every student deserves the best education, together, we commit to the following

Teachers will...

- Model instruction and provide parents with literacy materials and strategies by grade level during parent workshops, newsletters and ClassDojo.
- Share with parents' tips and resources on how to choose the right reading level book.
- Send home to parents one math application problem per week.
- Host grade level math and reading nights to share strategies with parents.

Parents can...

- Practice with their children grade level reading strategies to improve fluency and vocabulary building.
- Read with their children daily.
- Use application problems and other strategies to help children make real world/math concepts connections.
- Practice math facts with their children.
- Attend parent workshops and academic nights to learn strategies to use at home.

Students can...

- Keep a reading log of weekly readings and read at least 20 minutes each day.
- Practice math facts for fluency (repetitive practice) using manipulatives or online resources.
- Find ways of using math concepts at home.

Together, we'll make sure your child has the best education.
