

2023-2024 Title I School-Parent-Student Compact

Pearcy STEM Academy

What is a School-Parent-Student Compact?

Every student deserves the best education. Our annual school-parent-student compact offers ways that we can work together to help our students be confident and ready for their future. This compact guides us on how we can work together to...

- Help student reach their academic goals
- Focus on student learning
- Explain how teachers and parents can communicate about student progress
- Describe opportunities to be a part of the school

Compacts are Jointly Developed

Working together is important. Parents and teachers have worked together on this compact to list ways we can help students. Our school receives money from the federal government under Title I, Part A of Every Students Succeeds Act to help students meet the State's high standards and invites parents to be a part of the school's community. This compact goes with our Campus Family Engagement Policy and District Family Engagement Policy.

Compacts build Partnerships

Caring adults are essential to helping students learn. We are always looking for volunteers and of course, you can arrange to come observe classroom activities. Community health conditions may change the way adults can volunteer and visit the school, however, we are committed to building a partnership with all parents and families. Here are a few of the main events that we can partner together to help students learn and show them we care about their education.

Math-o-Ween, Reading Under the Stars, Science Night, Open House, Eagle Expo, Family House Party

Communication about Student Learning

We are committed to talking with you about your student's learning. Here are some ways we can make sure that we are communicating regularly about your student's progress:

- [Parent Self-Serve](#)
- Progress Reports and Report Cards in six-week intervals
- Parent-Teacher Conferences- We will discuss your student's progress and this compact. Please contact your child's teacher by Dojo or email that can be found on the school's website.
- You can contact us through these apps Dojo or by emailing your student's teacher.
- Call school at any time, 682-867-5555 and our clerk will leave the teacher a message.
- Additional Information: Screeners summaries are sent home each beginning, middle, and end of year for both mClass and NWEA MAP.

Goals

We know you have goals for your student and we do too. We provide excellent curriculum and teaching to help your student meet the State's high standards. Your student's teacher will be glad to show you what materials and programs we use.

District Goal

100% of AISD students will graduate exceptionally prepared for college, career, and citizenship

Student Outcome

Goals:

Every student will achieve a year's worth of growth in both reading and math, no matter the starting point.

Focus Areas of Learning:

Geometry and Measurement: Come learn and review with us at Math-o-Ween on October 19th will the focus of Geometry and Measurement.

Making Inferences with Text Evidence: Come review and learn with us at Reading Under the Stars on November 12th.

Weekly STEM Integration within all content areas.

Because every student deserves the best education, together, we commit to the following

Teachers will...

- Send home weekly newsletters to communicate classroom updates.
- Answer communication within 24 hours.

Parents can...

- Always ask questions!
- Request a parent conference with their child's teacher
- Set up Parent Self Serve to alert them when a grade received is below a certain number.

Students can...

- Always ask questions!
- Request clarification for anything that is being taught in the classroom.

Together, we'll make sure your child has the best education.
