

2022-2023 Title I School-Parent-Student Compact

Bud Remynse Elementary

What is a School-Parent-Student Compact?

Every student deserves the best education. Our annual school-parent-student compact offers ways that we can work together to help our students be confident and ready for their future. This compact will guide us on how we can work together to...

- Help student reach their academic goals
- Focus on student learning
- Explain how teachers and parents can communicate about student progress
- Describe opportunities to be a part of the school

Compacts are Jointly Developed

Working together is important. Parents and teachers have worked together on this compact to list ways we can help students. Our school receives money from the federal government under Title I, Part A of Every Students Succeeds Act to help students meet the State's high standards and invites parents to be a part of the school's community. This compact goes with our Campus Family Engagement Policy and District Family Engagement Policy.

Compacts build Partnerships

Caring adults are essential to helping students learn. We are always looking for volunteers and of course, you can arrange to come observe classroom activities. This year the community health conditions may change the way adults can volunteer and visit the school, however, we are committed to building a partnership with all parents and families. Here are a few of the main events that we can partner together to help students learn and show them we care about their education.

Zoom-in with the Principal, Parent Empowerment Workshops (thru Zoom), Toddler Time, All Pro Dads

Communication about Student Learning

We are committed to talking with you about your student's learning. Here are some ways we can make sure that we are communicating regularly about your student's progress:

- Parent Self-Serve
<https://www.aisd.net/district/resources/self-serve-portals/>
- Progress Reports and Report Cards in six-week intervals
<https://www.aisd.net/district/resources/self-serve-portals/>
- Parent-Teacher Conferences- We will discuss your student's progress and this compact. Please contact your child's teacher by email, phone or class dojo.
- You can contact us through these apps or by emailing your student's teacher.
- Parent Self-Serve
- Progress Reports and Report Cards in six-week intervals
- Parent-Teacher Conferences
- Class Dojo
- Flyers, School Internet Page, In-Touch Marquee

● Goals

We know you have goals for your students and we do too. We provide an excellent curriculum and teaching to help your student meet the State's high standards. Your student's teacher will be glad to show you what materials and programs we use.

District Goal

100% of AISD students will graduate exceptionally prepared for college, career, and citizenship

School goals and focus areas of learning

Goals:

Our goal is for each student to achieve exceptional growth in all areas.

Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the children served to meet the challenging state academic standards.

Focus Areas of Learning:

- 1) Reading Fluency and Vocabulary
- 2) Math Computation

Because every student deserves the best education, together, we commit to the following:

Teachers will...

- Will model instruction and provide parents with online reading materials and strategies by grade level during parent workshops, newsletters and Class Dojo
- Will share with parents tips and resources on how to choose the right reading level book
- Will include math problem solving each week through online work/assignments.

- Will host grade level academic nights via zoom to share strategies with parents.

- Will attend parent workshops and academic nights to learn strategies to use at home

Parents can...

- Will practice with their children grade level reading strategies to improve fluency and vocabulary building.
- Will read with their children daily
- Will use application problems and other strategies to help children make real world/math concept connections
- *Will practice math facts with their child*

Students can...

- Will keep a reading log of weekly readings
- Will read at least 20 minutes each day
- Will practice math facts for fluency (repetitive practice) using manipulatives or online resources
- Will find ways of using math concepts at home-

Together, we'll make sure your child has the best education.
