

2023-2024 Title I School-Parent-Student Compact

Sam Houston High School

What is a School-Parent-Student Compact?

Every student deserves the best education. Our annual school-parent-student compact offers ways that we can work together to help our students be confident and ready for their future. This compact guides us on how we can work together to...

- Help student reach their academic goals
- Focus on student learning
- Explain how teachers and parents can communicate about student progress
- Describe opportunities to be a part of the school

Compacts are Jointly Developed

Working together is important. Parents and teachers have worked together on this compact to list ways we can help students. Our school receives money from the federal government under Title I, Part A of Every Students Succeeds Act to help students meet the State's high standards and invites parents to be a part of the school's community. This compact goes with our Campus Family Engagement Policy and District Family Engagement Policy.

Compacts build Partnerships

Caring adults are essential to helping students learn. We are always looking for volunteers and of course, you can arrange to come observe classroom activities. Community health conditions may change the way adults can volunteer and visit the school, however, we are committed to building a partnership with all parents and families. Here are a few of the main events

- One or more parent connectivity events, two or more academic/college and career readiness events, one or more parent education events, one or more father & family events, two or more open door events.

Communication about Student Learning

We are committed to talking with you about your student's learning. Here are some ways we can make sure that we are communicating regularly about your student's progress:

- Parent Self-Serve ([link to webpage](#))
- Progress Reports and Report Cards in six-week intervals ([link to webpage or provide dates](#))
- Parent-Teacher Conferences- We will discuss your student's progress and this compact. Please contact your child's teacher by email to schedule a virtual or in person conference.
- You can contact us through these apps or by emailing your student's teacher Communication is virtual (phone calls, emails, text, in class apps, Zoom, blackboard, etc).
